Dear guest,

please note:

It is recommended to book your hotel room as soon as possible. Upon receipt of the booking confirmation from München Tourismus you become automatically a contractual partner with the hotel booked under its conditions (according to the guest registration agreement).

München Tourismus is only acting as an agent and does not assume any liability for service and efficiency offered by the hotel.

A part of the Rights and Obligations of the Guest Registration Agreement

1. The guest registration agreement is considered binding as soon as the room has been booked and the booking confirmed, or in case of a late booking – as soon as the room has been reserved.
2. The guest registration agreement between the guest and the hotel when entered into obliges both contractual partners to fulfil all the contract conditions, regardless of the duration of the agreement.
3. The hotel is obligated, in case that the room booked is not available, to compensate the guest.
4. In the case of non-invoking of the contractual obligations the cancellation conditions of the contractual partner (hotel) apply.

We wish you a successful symposium and a pleasant stay in Munich.

Best regards
